Are You & Your Family Coming to Sunday School/Bible Study at 10:00 a.m. Each Sunday?

Here are some reasons why Sunday school is important:

- Sunday school provides a basic systematic study of the scriptures at a level of understanding for that age group.
- Allows an opportunity for its members to talk and share about their needs with others in similar life situations.
- Provides an opportunity for personal application of the scriptures based on the age level of the class.
- Provides for fellowship and a sense of belonging for each member of the class.
- Is a training ground for young Christians to be more productive in their church and gives them the opportunity to develop their skills and talents for the Lord.

Missionary Moment: Impact Others

(Thailand) SCOTT and ALYSSA BRANDING* are among the few Southern Baptist missionary couples working among 2.5 million Burmese immigrants living in Thailand who don't know Jesus. The Brandings work with local leaders such as Aung Kyaw,* a fruit buyer who interacts with both Thais and Burmese. Aung is passionate about Bible study. Scott says, "I love the opportunity to train the nationals, so they can train nationals, so they can impact people — because that 2.5 million people is such a big number!" Southern Baptists' gifts through the Cooperative Program make it possible for the Brandings to live in Southeast Asia where they can train local believers to share the Gospel exponentially.

*Names changed. Bible Reference: Genesis 1:27-30
