Pure Water, Pure Love is one very practical way WMU has of funneling love and support to missionaries. In places where safe tap water is not available we want missionaries to have worry-free water. Financial donations make it possible for WMU to provide missionaries with clean water to meet their needs on the mission field.

### Join Us for Lunch To Go

**Sunday, Feb. 15<sup>th</sup>** after morning worship we will be providing sack lunches and water bottles for any donation you can make to Pure Water, Pure Love. We will have Turkey or Ham sandwiches, chips, etc. You can stay and enjoy fellowship with one another or take your lunch to go.

### State Mental Hospital Visitation/Fellowship Program

We will be expanding the ministry at the State Mental Hospital to include a Visitation or Fellowship time. Occasionally we will bring in the allowed amount of food to provide a small meal and share a time of fellowship and the Word with these men. If you are interested in teaming with the Pastor and/or helping to form a second team, please speak with the Pastor. Please pray for this ministry.

**Changing Lives, Minds  
& Communities  
Through Jesus Christ**

## Missionary Moment: Craft Scripture Stories

(Deaf) The Deaf of East Asia are Bible-less. No Scripture is available in their Sign Language. A team of eight Deaf believers from across East Asia has gathered together to change that. Through the StoryOne Project and under the leadership of AMY\* and MYISHE\*, two single, Deaf missionaries, the Deaf Asians have recently begun work to craft 150 Scripture stories into Sign Language. Simultaneously this team will be working to plant nine Deaf churches. Your Cooperative Program gifts make it possible for Deaf missionaries to reach and train Deaf peoples to share God's stories in the language of their heart.
