### **PARSONAGE REPAIR FUND**

It has been determined that there will be a cost of between \$10,000 and \$20,000 to complete needed repairs to the Parsonage. Work can be done in phases, but at the present time there are some items that need to be immediately addressed. The building has been deemed structurally sound so it has been agreed that we need to go forward with raising funds for the needed repairs. Our first goal to begin work is \$4,000.00. Mark all contributions "Parsonage Repair Fund" so they will be used for this purpose. Please pray about how you can help in this very important ministry.

### Missionary Moment

**TARYN BLOCKER** was heading to Spain when her plans suddenly changed. A major car accident left her thankful to be alive, but also left her with a broken jaw, broken tailbone, broken facial bones, two broken legs, and a cracked neck. For some, this might have seemed an end to her plans of international missions service. But through the healing touch of the Great Physician, Taryn was able to carry out God's plan as she safely arrived in Madrid in April 2010. Your faithful support through the Cooperative Program (CP) and the Lottie Moon Christmas Offering enables God's work to continue in the lives of missionaries and those they are called to reach. This week thank the Lord for Taryn's healing and ask God to use her to draw many people to faith in Christ. **Luke 6:35-38**
