

## Missionary Moment: Conversations Build Receptivity

(Brazil) In the state of Rio Grande do Sul in South Brazil, university campuses come alive in the evenings when they are flooded with students from the region surrounding Porto Alegre, the capital city. Baptist representatives CHRIS and MELODY JULIAN work among these students of European descent. One approach they take is to bring North American students to Brazil through IMB's Hands On program. Pray that university students in South Brazil will be receptive to the Gospel and that God will open many doors for Hands On teams through English conversation classes, game nights, Bible studies and just hanging out on campuses. Cooperative Program gifts support missionaries like the Julians and make university-related ministries possible worldwide.

### Bible Reference and Statement: 2 Timothy 1:12

Commitment that leads to growth in Christ instills an eternal hope. Keeping a commitment to grow in giving is a testimony that "I am not ashamed" of the One in whom I have believed.
