Food Pantry Ministry

S.H.A.R.E. Cards have arrived from SaveMart.

Please see Pam to get your very own to use each time you shop to help contribute to the Food Pantry Fund.

ZAREPHATH PROJECT

We will be doing the Zarephath Project again this Spring. We are asking for donations of food and clothing. We are looking for canned/boxed foods above and beyond our normal food pantry requests. We will set up special buckets/boxes for just the Zarephath Project. So as you shop if you can just pick up a few extra things each week and bring them in that would be great. Also, please bring in clothing in good condition, something you could wear. All ages of clothing will be needed.

We will also be heading out in teams again soon to pray through the neighborhood and then later to knock on doors and introduce Jesus and our church to those we meet. After about 8 weeks we will have a Zarephath block party and distribute what we have collected to those we have met. Please start praying for this outreach.

Missionary Moment

Medical Mission Endeavor

(Tanzania) DR. LARRY and SALLY PEPPER are Southern Baptist missionaries to Tanzania. Before serving as a medical doctor through the International Mission Board, Larry was a flight surgeon for NASA, supporting the space shuttle program from 1988-95. Larry says friends and colleagues thought he was crazy when he left NASA for the mission field. But the Peppers don't agree. Since being appointed 17 years ago, they have worked in Uganda, Lesotho and Tanzania, where Larry now works in Kigoma Baptist Hospital. The Peppers share the Gospel with the Ha people and work to revive the evangelistic nature of the hospital. Cooperative Program gifts support practical — and life-changing — ministries such as medical missions.
