Missionary Moment

Utah and Idaho combined have a population of four million people. Together, the two states are home to more than 400,000 Hispanic residents, but only 14 percent of the people within both states have been reached with the gospel. North American missionary **Leonardo Lopez** has a burden to reach the multitudes of lost people by starting new Hispanic churches. As Hispanic church planter strategist for the Utah-Idaho Southern Baptist Convention, Leonardo is thankful for your commitment to fulfilling the Great Commission through the Cooperative Program and the Annie Armstrong Easter Offering®. Leonardo asks that you pray for him and his wife, **Maribel**, and their family as they confront Mormon influence in the community.
