None of the disciples dared ask Him, "Who are You?" because they knew it was the Lord.*

Missionary Moment

Continue The Work

DON COLDWELL is a church planting intern in his home state of Maine. Mainers are an extremely independent group of people. They take care of themselves in every way possible and feel no need for any spiritual growth or upkeep. The church is no longer considered useful in Maine. That is why Don, his wife, LAURIE, and their three children are looking to impact Maine by planting churches. Pray that Don and Laurie will have the fortitude to keep working the fallow soil of Maine. Pray, also, that the two Haitian children they are adopting will be with them soon. The Cooperative Program and Annie Armstrong Offering enables missionaries to serve in the hard places both near and far away..
