New Ladies Bible Study:

Stronger: Finding Hope in Fragile Places

Through biblical teaching and real life application, this study teaches that believers do not have to live in weakness. God is stronger than every struggle you will ever face. All who receive Jesus Christ have been hidden in Him. We have been made alive in Him through the forgiveness of our sin, filled in Him with all the fullness given to Him, brought near to God in Him, and blessed with every spiritual blessing in Him.

As we have received Christ Jesus, we are now called to walk in a manner worthy of Him. Strengthened with all power, according to His glorious might, for all endurance and patience with joy, giving thanks to the Father, who has qualified us to share in so great an inheritance. Today, because of Christ, you can live stronger. This study will guide women into biblical truth through exposition and story, so they live confident, transformed, Christ-radiating lives marked by His strength.

Missionary Moments: Pushing Back Spiritual Darkness

[Connecticut] JOSHUA SMITH is the worship and arts pastor for a church plant in Connecticut. There is a spiritual darkness there. Mediums, psychics and healers are often the ones New Englanders turn to in their search for spiritual insight. Unfortunately, Christianity and the church are rarely considered as sources for guidance. Many consider Christianity a dying movement that doesn't relate to their everyday needs, much less their eternal needs. But with your help through the Cooperative Program, people in Connecticut are coming to Christ. Joshua asks Christians to pray for God to continue to provide resources & safety for him & his family as they serve there.

Please remember to turn in your monthly roof fund pledge.
