Missionary Moments: Pushing Back Spiritual Darkness

[Connecticut] JOSHUA SMITH is the worship and arts pastor for a church plant in Connecticut. There is a spiritual darkness there. Mediums, psychics and healers are often the ones New Englanders turn to in their search for spiritual insight. Unfortunately, Christianity and the church are rarely considered as sources for guidance. Many consider Christianity a dying movement that doesn't relate to their everyday needs, much less their eternal needs. But with your help through the Cooperative Program, people in Connecticut are coming to Christ. Joshua asks Christians to pray for God to continue to provide resources & safety for him & his family as they serve there.

Please remember to turn in your monthly roof fund pledge.
