Stronger: Finding Hope in Fragile Places

Through biblical teaching and real life application, this study teaches that believers do not have to live in weakness. God is stronger than every struggle you will ever face. All who receive Jesus

Christ have been hidden in Him. We have been made alive in Him through the forgiveness of our sin, filled in Him with all the fullness given to Him, brought near to God in Him, and blessed with every spiritual blessing in Him.

As we have received Christ Jesus, we are now called to walk in a manner worthy of Him. Strengthened with all power, according to His glorious might, for all endurance and patience with joy, giving thanks to the Father, who has qualified us to share in so great an inheritance. Today, because of Christ, you can live stronger. This study will guide women into biblical truth through exposition and story, so they live confident, transformed, Christ-radiating lives marked by His strength.
