### Missionary Moments: Jesus is the Only Way

[Oregon] JOSH CARTER serves in Portland, a cutting-edge city that is directing the course of culture. Some Portlanders call their home the new Sin City, as evidenced by the fact they now have more strip clubs per capita than any other city in the U.S. Most residents claim no religious affiliation and are tolerant of any and all religions, but are opposed to the idea of an exclusive way to heaven. It has been said there are more Christians in India per capita than there are in Portland. Your support through the Cooperative Program can help change that. Pray for Josh's team as they seek church partners and strong relationships in their community to share Jesus.
