Discover how to witness to a family member or to someone who is gay, how to recognize subtle satanic doctrines, how to refute the theory of evolution (join Kirk and Ray as they take an orangutan to lunch), & how to prove the existence of God.

**Join us for the Book of Revelation Study Tuesday Nights at 7:00 p.m. at Y.A.M.S. Bible Study**

The Book of Revelation presents the climax of God's Plan for Man. This book gives us a unique promise: "Blessed is he who reads and those who hear the words of this prophecy, and keep those things which are written in it; for the time is near." Come be blessed with us this Tuesday night by reading, hearing and keeping what is written in Revelation.

### Missionary Moment: Using Biblical Principles in Parenting

(South Asia) ARCHER and ROCHELLE HULLETT\* work to make their home in South Asia a place of peace. They want to model by example a Christ-centered home. The Huletts meet with national pastors and their wives. Through their time together, the Huletts impart an example of a godly marriage and family in a place where no other biblical teaching on family is available. "They love their children, but there's no discipline," Rochelle says. They encourage other busy parents to set aside daily time with the Lord and use biblical principles in parenting. Because you give through the Cooperative Program, the Huletts can exemplify a Christian family and bring hope to families in South Asia.
