### "Kingdom Man"

When a man follows the principles of biblical manhood, those around him benefit from his leadership and care. Kingdom Man challenges and equips men to fully understand their position under God as well as their position over what God has given them. The biblical definition of a man is one who has learned to operate under the authority of Jesus Christ

while carrying out responsible and legitimate leadership within the sphere of influence that God has placed him. Kingdom Man provides concepts men can follow that will help them to actively pursue ways to maximize and develop the character qualities of biblical manhood in their lives. All Men are invited to attend the Men's Bible Study on Sunday Nights at 6:00 p.m. Bring a friend! **No Bible Study this week.**

**Men's Barbecue Tonight June 2<sup>nd</sup> at the Williamson's Home at 6:00p.m..**

## Missionary Moments

### BE A BLESSING TO OTHERS

(Central Asia) This walk wasn't like any other JACOB\* had taken with Abbud.\* "I was able to walk with him as he carried a Bible home, despite the consequences that he would face from his family," said Jacob, a Christian worker in Central Asia. "I don't face the same suffering as national believers where I live, but it is a blessing to encourage them through His Word and through time spent loving them." Jacob is thankful to Southern Baptists who give through the Cooperative Program. He now has the opportunity to share with others the truth of Christ and encourage the believers to stand strong in their faith.
