Missionary Moment: Miracles Make a Difference

(North Africa) A Christian worker in North Africa reports being able to share the Gospel with a small group of Muslims. An elderly woman, in particular, showed much interest. When this woman had a stroke that left her partially paralyzed, Christians began to pray for her. The next week, it seemed as though a miracle had taken place. The worker prays that miracles like this will turn hearts to the true Healer. Thank you for giving through the Cooperative Program to support the miraculous work of God.
