Stepping Up: A Journey Through the Psalms of Ascent - by Beth Moore provides an in-depth women's Bible study of Psalms 120-134. Traveling pilgrims sang these psalms both on the way to the great festivals of the LORD and as key elements of the worship at those festivals. Just as a song or poem can express feelings of fear, doubt, hope, and joy, these 15 psalms

model how we can voice our own petitions and praises to our God, who is always available and ready to hear us. Explore the major feasts of Israel and journey with Beth through this 7-session study. Themes of unity, joy, gratitude, redemption, repentance, the power of blessings, facing ridicule, and more are explored in detail. Modern-day believers in Jesus Christ can learn much from these treasured Psalms in their journey toward greater intimacy with God.

## Missionary Moment

"JACK and SELENA LINDELL" assist the rural people of Asia. At their farm they conduct training events in agriculture, livestock, forestry, forages, water, Bible, and church planting. "We train villagers, church leaders, and Westerners in simple, reproducible methods that will help poor farmers increase their standard of living and have the resources to reach out to the hundreds of villages around them," Jack and Selena said. Christian workers trained in these methods take these new ideas to the villages where they want to share the Gospel. Their knowledge and training allow them to gain access and garner trust among the villagers.
