Every disciple and early follower of Christ left a legacy for future believers.
John's legacy was love. Perhaps like no other disciple, John understood that
relationship is the point. Every command of Christ & call to obedience is to
enhance relationship and place the recipient in a posture the Giver can
bless. This study is about finding our way to the heart of Jesus and reclining
so closely that our pulse begins to throb in tandem, loving what He loves
and hating what He hates.
