PARSONAGE REPAIR FUND

The church is in the process of getting bids for further repair work on the Parsonage. The next phase of the work will include the hallway bathroom. Currently there is approximately \$3300.00 in the Parsonage Repair Fund so we will need to collect more in order to start this project. Once the bids are complete we will have a special business meeting to share information and make firm decisions in order to go forward with the remodeling. If we are able to collect the funds now it will help in scheduling the work without any delay. Please be sure to mark your donations “Parsonage Repair Fund” and submit it separately from your regular giving. Thank you for your prayers and support!

The Nominating Committee Wants You!

The Nominating Committee will begin meeting soon to fill all empty current positions and new positions. We are asking each of our members to pray and sincerely seek God’s guidance as they decide upon where they would like to continue to serve or new places they would like to serve. Please contact Debbie Whitwill, Beth Williamson and Don Ervin for more details.

Missionary Moment

CAROLYN HOUTS trains musicians in churches and at Ghana Baptist University College. Part of Carolyn's work is helping people write Scripture songs in their own African language, using their own instruments and style. This attracts the attention of people who cannot read. Ghana also hosted the African Cup of Nations soccer tournament in January 2008. Two sports evangelism workshops were presented to train people in witnessing around the stadium and to neighborhood boys who play soccer. People were saved as they watched games on television at the university and in local churches. Your commitment to reaching people through the Cooperative Program is putting love in action as people come to Christ through opportunities such as these. Pray for Carolyn and the follow-up with these new believers. **1 John 3:16-18**
