Missionary Moments: Sharing with Those Who Have Never Heard

[England] After Christian workers prayerwalked in a low-income area for three years, a Christian woman living there agreed to host a Bible study for them. Every Thursday, the attendees watched a portion of the JESUS film, but soon the workers realized no one in the group had any knowledge of the Bible. The workers asked one of the women, Debbie, if she had ever read the Bible. As they gave her one, they learned Debbie was 51 years old, and it was the first time she had even touched a Bible. Eventually, Debbie gave her life to Jesus. Your support of the Cooperative Program helps these workers share Christ with those who have never heard of Him.
