"The Battle Plan for Prayer"

**Order your book and workbook today from Don
Cost: \$20.00**

The Battle Plan for Prayer begins with prayer's core purpose, its biblical design, and its impact throughout history. Readers will be guided scripturally through the fundamentals of how effective prayer works, inspired towards a closer, more intimate relationship with God, and shown how to develop specific prayer strategies for each area of life. Prayer can accomplish what a willing God can accomplish. It should be your first plan of attack in all of life's battles, not your last resort. If you want to experience the joy of mightily answered prayer, then it's time to engage with God at another level.

Starting October 5th:

"Ephesians: Our Immeasurable Blessings in Christ"

**Cost: \$ 8.00 - Please pay & order from Cathy
Today. Order will be submitted by Tues. Morning.**

Ephesians was written by the apostle Paul as a letter of encouragement and admonition. Ephesians gives a refresher course in New Testament doctrine and provides a practical blueprint for Christian behavior. Through this letter, Paul shows us our continual need for God's help and demonstrates that everything good we enjoy is an expression of His great love.

California Missions Moment

"Vacation Bible School training"

A Vacation Bible School training clinic, funded in part by gifts to the California Mission Offering, made an impact locally and globally for a group from Sequoia Baptist Association. In need of training for the 2015 LifeWay VBS curriculum, the group that attended one of the California Southern Baptist Convention-sponsored clinics was composed of members from Sierra and Woodland Drive Baptist churches in Visalia. The team had a twofold purpose – to lead VBS for children of International Mission Board missionaries attending a conference in South Africa and to lead a VBS clinic for the local association. Mark Wilson, pastor of Sierra Baptist Church, said the clinic was vital for Sequoia Association since there hadn't been a training event in many years. The team also led a training clinic for High Desert Baptist Association. He noted VBS is important to his church and others because "it is a great outreach opportunity to children and families." Tom Belew, CSBC childhood specialist, echoed Wilson, saying, "VBS is possibly the greatest evangelistic outreach opportunity a church has each year." Belew noted that "since VBS is important to the life of a church" CSBC will continue supporting training clinics Until It's Finished. Pray for Sierra Baptist Church and other Sequoia Association churches in their VBS outreach efforts. Also pray that more associations and churches would be trained for effective evangelism through VBS.
