This Wed., Sept. 26, 2012
at Your School Flagpole

See You at the Pole™ is a student-initiated, student organized, and student-led event. That means this is all about students meeting at their school flagpole to pray— for their school, friends teachers, government, and their nation. See You at the Pole™ is **not** a demonstration, political rally, nor a stand or against anything. **Please begin praying for this event, the schools, teachers, and students.** The 2012 See You at the Pole theme is based on Paul's prayer for his friends in Ephesus. He desires so deeply for them to be able to grasp the extravagant dimensions of Christ's love! He yearns for his friends to awaken in a fresh way to the endless possibilities of what only God can do! He is passionate in his cry for awakening in their inner beings like they've never experienced. Pray for an unusual outpouring of the Spirit of God to awaken the hearts of students on campuses throughout your community... and the world!

California Missions Moment

Disaster Relief

REACHING
THE WORLD
IN CALIFORNIA

In 1983, a 6.5 magnitude earthquake rocked Coalinga, marking the beginning of California Southern Baptist Disaster Relief efforts. Since then, California Southern Baptist Convention's Disaster Relief ministries have responded to nearly 100 disasters, including tsunamis, earthquakes, floods, hurricanes, mudslides, and storms of fire, wind and ice. Civil emergencies such as the 1992 riots in Los Angeles and the 2001 terrorist attack in New York City that leveled the World Trade Center also drew Disaster Relief teams from the Golden State. Cooperating with Federal Emergency Management Agency, the Red Cross, the Salvation Army and other humanitarian entities, California Southern Baptists have helped meet the physical and spiritual needs of disaster victims through a myriad of ministries: mass feeding, mud-outs, fire cleanup, debris removal, fallen tree removal through chain saw crews, chaplaincy, communications, water purification, shower trailers and other emergency services. During recent wildfires in California, and also Hurricane Ike, California Southern Baptists' Disaster Relief teams prepared more than 700,000 meals and cleaned debris from more than 300 home-sites. This year we've fielded teams in California, Vermont, Massachusetts and Japan. "It wasn't always this way," said Don Hargis, CSBC's Baptist men's ministries specialist who oversees Disaster Relief efforts. "It's nothing less than phenomenal the way God has blessed the growth and expansion of California's ministries."
