**Order your book and workbook today from Don  
Cost: \$20.00**

The Battle Plan for Prayer begins with prayer’s core purpose, its biblical design, and its impact throughout history. Readers will be guided scripturally through the fundamentals of how effective prayer works, inspired towards a closer, more intimate relationship with God, and shown how to develop specific prayer strategies for each area of life. Prayer can accomplish what a willing God can accomplish. It should be your first plan of attack in all of life’s battles, not your last resort. If you want to experience the joy of mightily answered prayer, then it’s time to engage with God at another level.

**Starting A Week From Monday, On October 5<sup>th</sup>:**

*“Ephesians: Our Immeasurable Blessings in Christ”*

**Cost: \$ 8.00 - Please pay & order from Cathy**

Ephesians was written by the apostle Paul as a letter of encouragement and admonition. Ephesians gives a refresher course in New Testament doctrine and provides a practical blueprint for Christian behavior. Through this letter, Paul shows us our continual need for God’s help and demonstrates that everything good we enjoy is an expression of His great love.

## California Missions Moment

### "Feeding Those Who Feed Us" becomes a year-round project

For most churches and volunteers, Feeding Those Who Feed Us is a 10-12 week ministry to migrants housed at one of California's 24 migrant centers around the state. But for a handful of folks, the ministry is year-round. All those stuffed backpacks of school supplies churches distribute to 1,500 grade-school age children in the centers? All the food staples (beans, rice, flour, sugar) in bulk-sized bags? All the children's pants, shirts and shoes? Those items are ordered, purchased, gathered and stored throughout the year so they're available when churches need them in the summer. "When you're dressing 1,500 kids you can't just go to the store and outfit them," said Tom Stringfellow, director of missions for Sierra Butte Baptist Association, who is one of those year-round volunteers. "From November through May I'm doing purchasing for the coming year." This is possible through two provisions: the program's budget, supported from the California Mission Offering; and Stringfellow's self-described "super-shopper" skills, so well-honed after 10 years of this ministry that he has personal professional relationships with suppliers at Kohl's, Kmart and other retailers.
