## New Ladies Bible Study: The Truth Project

**No Book Needed, Just Come Tomorrow Night!**

The Barna Research Group revealed a stunning statistic that continues to reverberate throughout the evangelical world. Only 9 percent of professing Christians have a biblical worldview.<sup>1</sup>

Because of this, today's believers live very similarly to non-believers. A personal sense of significance is rarely experienced, we spend our money and time on things that fail to satisfy and we begin to wonder what life's ultimate purpose really is. We are, in short, losing our bearings as a people and a nation. The Truth Project is comprised of 13 one-hour lessons taught by Dr. Del Tackett. This study is the starting point for looking at life from a biblical perspective. Each lesson discusses in great detail the relevance & importance of living the Christian worldview in daily life.

Join us **today, Sunday, Sept. 29<sup>th</sup>** after the 11:00 worship service for a great time of fellowship. Everyone please bring your favorite food filled dish to share.

### Pastor Glover Appreciates Your Prayers

Pastor Glover will be having Open Heart By-Pass Surgery early Monday Morning. Please remember him in prayer all week.

He will be in the Kaweah Cardiac Critical Care Unit for about 3 days. This area of the hospital right after Open Heart Surgery doesn't really allow for visitors.

Even Cathy will not be able to see him much. After that he moves to the Heart Telemetry wing for an unknown amount of days. Visits will be limited and visitors must be healthy. His immune system and heart will not be able to handle any viruses or bacterias. Once he is home the same rules will apply for about 5 more weeks. We are arranging for guest speakers during this time. Please come show your support each Sunday. Thank you.

## California Missions Moment

### Disaster Relief

In 1983, a 6.5 magnitude earthquake rocked Coalinga, marking the beginning of California Southern Baptist Disaster Relief efforts. Since then, California Southern Baptist Convention's Disaster Relief ministries have responded to nearly 100 disasters, including tsunamis, earthquakes, floods, hurricanes, mudslides, and storms of fire, wind and ice. Civil emergencies such as the 1992 riots in Los Angeles and the 2001 terrorist attack in New York City that leveled the World Trade Center also drew Disaster Relief teams from the Golden State. Cooperating with Federal Emergency Management Agency, the Red Cross, the Salvation Army and other humanitarian entities, California Southern Baptists have helped meet the physical and spiritual needs of disaster victims through a myriad of ministries: mass feeding, mud-outs, fire cleanup, debris removal, fallen tree removal through chain saw crews, chaplaincy, communications, water purification, shower trailers and other emergency services. ... Hargis said that, during the 20 years he's overseen these efforts, the number of volunteers has grown from about 100 to more than 3,000. And ministries that once included only feeding and cleanup have grown to chaplaincy and communications. "Even to the sifting of ashes," he said, "we have people who are specialized in so many ways."
