Give Joy to the World Through the
 Shoe Box Ministry

While the Back to School Sales are on, we thought it would be great to get started on our annual shoe box ministry. It is so easy. All you need to do is decide what age boy or girl you would like to sponsor. Ages 2-4, 5-9, or 10-14. Then start collecting items for them that will fit into a shoebox. Contact Claudia Semple at 960-9186 for details or to help.

California Missions Moment

Summer Missions

The arrival of summer means a season of recreation and relaxation for most high school and college students. Most, but not all. Each summer, students minister in mission projects across the Golden State, mostly assisting with Vacation Bible Schools in rural areas, going from church to church, helping those that are understaffed. Not all the students minister in rural areas. Some are at work in major cities, too. Others assist in summer youth camps and with other Southern Baptist association projects, said Charles McClung, California Southern Baptist Convention's ministry evangelism specialist. "The students give a boost to the adults in churches where they serve, as well as to the youth," he added. "They bring enthusiasm and energy that can revitalize a youth group and also show older adults that God is at work in the younger generation. They also help fulfill the Great Commission as they reach children, teens and their families with the gospel." The students are an extension and expression of the hearts of all California Southern Baptists who support summer missions ministry through the California Mission Offering. Not only do these short-term servants reach others – sometimes God reaches the summer missionaries themselves, calling them to give their lives to long-term missions as they eventually become career missionaries.
