### Missionary Moment:

#### Excitement in Reading the New Testament

(Northern Africa and the Middle East) Four women sit in a small room together, sipping glasses of hot, sweet tea and chatting. The oldest lady, gesturing with her hands, knows the news about her neighbors. One is getting a divorce, another's dialysis is not going well, and another grieves the loss of a grandchild. She tells about a 70-year-old man who has taken a new wife, a young schoolgirl. In some parts of the region, men can legally have up to four wives. The women live under the laws of Islam. Cooperative Program gifts help pay for materials such as DVDs that tell women the best news: the story of Jesus and His love for all people — equally.
