Cost: \$13 for Workbooks to be ordered

\$16 for the optional book to be ordered

The Battle Plan for Prayer begins with prayer’s core purpose, its biblical design, and its impact throughout history. Readers will be guided scripturally through the fundamentals of how effective prayer works, inspired towards a closer, more intimate relationship with God, and shown how to develop specific prayer strategies for each area of life. Prayer can accomplish what a willing God can accomplish. It should be your first plan of attack in all of life’s battles, not your last resort. If you want to experience the joy of mightily answered prayer, then it’s time to engage with God at another level.
