about Allyson and her friends who want a peaceful,  
grown-up evening of dinner and fun - a long-needed  
moms' night out. But in order to enjoy high heels, adult  
conversation, and food not served in a bag, they need their  
husbands to watch the kids for a few hours ... what could go wrong?

This Bible study on the book of Philippians offers an  
enduring biblical perspective on the meaning and source of true joy.  
We will learn that the reality of everyday life can erode the feeling of  
happiness — unless a foundation of joy is already in place. And such  
a foundation comes from seeing life through God's perspective.

### Missionary Moment:

CARLTON WALKER lives in Tokyo and is the Cluster Prayer Advocate for Japan and Korea. Work among the Japanese can be slow, but Cooperative Program gifts and the Lottie Moon Christmas Offering® helped put Carlton in the right place at the right time. He was handing out Bibles to passers by at a train station when a woman approached him, desperate to know where the nearest church was located. The woman, whose name was Takemi, returned from her search disappointed. She had found the church Carlton recommended, but its doors were locked. Takemi had lost her father and wanted someone to pray for her, so Carlton prayed with her in the middle of the train station. With renewed hope, Takemi started going to the church Carlton attended. She has accepted Christ, and Carlton prays that Takemi will be the basis of a new church starting.
