Missionary Moment

BILLY and MARY COLLINS plant churches among the Chorti people in western Honduras. Direct descendants of the Mayan civilization, the Chorti have many physical needs. Southern Baptist churches have partnered with Billy and Mary, providing them with evangelism, medical, and prayerwalking teams. One exciting and reproducible work is an agricultural training center, complete with a model farm; a goat, fish, and bee project; and a health education program. All of the teaching at the center focuses on Scripture, and participants are required to teach others what they learn. You are making a difference in the lives of people in western Honduras as you faithfully support the Cooperative Program. This week pray for Billy and Mary and for the Chorti people to be receptive to the Gospel.

Poinsettias are needed

We would love to beautify the sanctuary for the Christmas Season, but we need Poinsettias to do so. If you would like to dedicate them in memory or honor of someone, we will put a list in the bulletin with their name. Just turn your Poinsettia plant in with a note of who you are remembering or honoring. Thank you for your help!
