What can keep us from getting stuck in that cycle of sinning, repenting, promising to obey God.....only to sin again? Will we ever change? Lasting change will only come through "20/20" vision (Exo. 20:20).

I. Four Key Words (Exodus 20:20):

A. Afraid –

B. Fear –

C. Test –

D. Sin –

II. Four Key Points - A healthy and holy fear of God keeps us from sinning by being:

1. C\_\_\_\_\_ on Him.

2. C\_\_\_\_\_ to prayer.

3. C\_\_\_\_\_ to obedience.

4. C\_\_\_\_\_ for holiness.

What frightening or challenging situation(s) are you facing this morning? Or do you feel stuck or enslaved in sinful patterns? Are you seeing these circumstances through "20/20" vision?
