We need to recognize that _____ always
comes before God reveals His _____ and Glory!

First, when feel like we are in darkness or
shipwrecked, we need to recognize the origin:

1) Shipwrecked by _____
_____.

2) Shipwrecked by _____
_____.

Let's start with a look at the self-imposed shipwreck:
I Timothy 1: 18 – 19

Our lives are like a ship. We can either follow the
_____ the Lord puts before us, or we can
_____ and _____ reject God's
_____ for our lives and become
_____ and spiritually shipwrecked.

Now, let's look at the shipwreck that is allowed by God
for His purposes.
II Corinthians 11: 25 – 26

God uses these situations that were not brought on by
us to:

- ✠ Teach us to accept the _____ of faith in
God's provision and direction.
- ✠ Teach us to trust God when we don't _____.
- ✠ Teach us to have faith that God will give us
_____ that will give us hope.
- ✠ Teach us to trust God's _____.

What must we do to get through shipwreck situations?

For a shipwreck that is self-imposed:
I John 1:9 Revelation 3:19

We must _____ and _____.

For a shipwreck that is allowed by God for His
purpose:
Proverbs 3: 5 – 6 Proverbs 16:3

Psalms 37:5 I Peter 5: 6 – 7

We must _____ God, _____ ourselves to
God and _____ or _____ to God.
